Call for Posters

Scope

HealthyIoT 2017 is the 4th one of an international scientific event series dedicated to Internet of Things and Healthcare. The Internet of Things, as a set of existing and emerging technologies, notions and services, can provide many solutions to delivery of electronic healthcare, patient care and medical data management. HealthyIoT aims to bring together technology experts, researchers, industry and international authorities contributing towards the assessment, development and deployment of healthcare solutions based on IoT technologies, standards and procedures.

Topics

- Wearable Sensor Systems
- Medical and Sensor Data Stream Processing
- Signal Processing and Analysis
- Machine Learning for Signal Processing
- Emerging eHealth IoT Applications
- Network Communications for Health Sensor Data
- Quantified Self Devices & Technologies
- Processing of Quantified Self Data
- Cloud Technologies for Healthcare
- Intelligent Data Processing and Predictive Algorithms in eHealth
- Smart Homes and Smart Caring Environments
- Telemedicine Applications
- The Smartphone as a HealthyThing
- Wellness and Health Management Applications
- Data Mining of Health Data on the Cloud
- Medical and Sensor Data Stream Processing
- Security, Safety and Privacy in eHealth and IoT
- Interoperability and Standardization Issues in IoT and Healthcare
- Network Communications for Health Monitoring
- Mobile Sensing and Smartphone Sensing
- Wireless Sensor and Actuator Networks
- Sensor Network Operating Systems and Resource Management

Submissions

To join the Posters Track, prospective authors are invited to submit a 2 to 4 pages abstract using LNICST format: LNICST style and template via EAI 'Confy' system at confy. Poster paper submissions must describe the research problem, contribution, and preliminary results. Posters will be peer-reviewed and will be selected on the basis of technical merit, novelty, and relevance to the mobile computing community. Accepted papers (only if 4 pages are submitted) will be included in the HealthyIoT proceedings, and authors will present their associated poster in an interactive session at the conference.

Please select 'Poster' Track when submitting your abstracts.
SUBMIT YOUR POSTER ABSTRACT HERE.

Important Dates Poster Abstracts Submission Deadline: 2017-08-31

Contact person:

The requirements are:

1. Participants submit their poster(s) in PDF
2. They should bring the printed version of the poster(s)
3. Participant should register to the event
4. Must present the poster during poster season.
